SUBJECT: BOARD CANDIDATE RELATED TO BOARD EMPLOYEE

SUMMARY: A family member of a Public Works Board member may continue as an employee of that Board without violating the Ethics Reform Act. Board members who have family members employed may vote on general salary increases for Board employees but may not participate in salary raises which are not general salary increases. He also may not participate in disciplinary action involving the family member.

QUESTION: A person who plans to be a candidate for the Gaffney Board of Public Works has a son who is currently employed as Office Manager for the Board. The candidate questions whether (1), if elected, would it be a conflict of interests for him to serve as a Board Member with his son working for the Board, and (2) if elected and there is no conflict of interests, on what issues would he be required to abstain.

DISCUSSION:

This opinion is rendered in response to a letter dated April 27, 1992 requesting an opinion from the State Ethics Commission. The Commission's jurisdiction is limited to the applicability of the Ethics, Government Accountability, and Campaign Reform Act of 1991 (Act No. 248 of 1991; Section 8-13-100 et. seq., as amended, 1976 Code of Laws). This opinion does not supersede any other statutory or regulatory restrictions or procedures which may apply to this situation.

Section 8-13-750 provides:

(A) No public official, public member, or public employee may cause the employment, appointment, promotion, transfer, or advancement of a family member to a state or local office or position in which the public official, public member, or public employee supervises or manages.

(B) A public official, public member, or public employee may not participate in an action relating to the discipline of the public official's public member's, or public employee's family member.

Family member is defined in Section 8-13-100(15):

"Family member" means an individual who is:

(a) the spouse, parent, brother, sister, child, mother-in-law, father-in-law, son-in-law, daughter-in-law, grandparent, or grandchild; or

(b) a member of the individual's immediate family.
The Commission advised in Opinion SEC AO92-030, that a son who was hired before his father became the Chief Administrative Officer, would not require termination, but the father could not participate in personnel matters affecting his son. Section 8-13-750 does not prohibit a family member being employed in the same agency; however, it does prohibit certain actions regarding that family member. Those prohibited actions include causing the employment, appointment, promotion, transfer, advancement, or discipline. The Commission calls attention to the provisions of Section 8-13-700(B) which provides in part as follows:

(B) No public official, public member, or public employee may make, participate in making, or in any way attempt to use his office, membership, or employment to influence a governmental decision in which he, a member of his immediate family, an individual with whom he is associated, or a business with which he is associated has an economic interest. A public official, public member, or public employee who, in the discharge of his official responsibilities, is required to take an action or make a decision which affects an economic interest of himself, a member of his immediate family an individual with whom he is associated, or a business with which he is associated shall:

1. prepare a written statement describing the matter requiring action or decisions and the nature of his potential conflict of interest with respect to the action or decision;
   
   *   *   *

4. if he is a public official, other than a member of the General Assembly, he shall furnish a copy of the statement to the presiding officer of the governing body of any agency, commission, board, or of any county, municipality, or a political subdivision thereof, on which he serves, who shall cause the statement to be printed in the minutes and require that the member be excused from any votes, deliberations, and other actions on the matter on which the potential conflict of interest exists and shall cause the disqualification and the reasons for it to be noted in the minutes;

Economic Interest is defined in Section 8-13-100(11) as:

11(a) Economic interest" means an interest distinct from that of the general public in a purchase, sale, lease, contract, option, or other transaction or arrangement involving property or services in which a public official, public member, or public employee may gain an economic benefit of fifty dollars or more.

(b) This definition does not prohibit a public official, public
member, or public employee from participating in, voting on, or influencing or attempting to influence an official decision if the only economic interest or reasonably foreseeable benefit that may accrue to the public official, public member, or public employee is incidental to the public official's, public member's, or public employee's position or which accrues to the public official, public member, or public employee as a member of a profession, occupation, or large class to no greater extent than the economic interest or potential benefit could reasonably be foreseen to accrue to all other members of the profession, occupation, or large class.

As to the second question, the Board Member may not take any action to cause the employment, re-employment, contract renewal, or disciplinary action of the family member. As to general salary raise issues, the Board member would not be prohibited from participating in deliberations and votes since the economic interest accrues to all Board employees as a class. The Commission advises, however, that in accordance with Section 8-13-700(B), the Board member could not participate in deliberations and votes on matters directly affecting the family member as an individual such as a raise for that specific employee outside the raises approved for all Board employees as a group.
